MORE INFORMATION

ResBaz is an excellent opportunity to present your products and services to tomorrow's research leaders, data scientists, and research support staff from all disciplines.

Throughout the event, there will be workshops to accelerate digital research practice, speakers to inspire and innovate, local groups to engage and support, and informative stalls to highlight resources available nationally and locally.

In 2026, we will be offering Accessibility Grants for ResBaz; these grants are intended to aid access to ResBaz for disadvantaged researchers or those from underrepresented groups.
